PRESIDENT'S MESSAGE FOR APRIL 2022

HAPPY SPRING MEMBERS OF CCRI – Flowers are blooming, the sun is shining longer, and Spring is in the air. I know some Members including myself have started taking their cars out of hibernation – and that too is a sure sign of Spring. The Salem Cross Social was a complete success in March, and I thank those that attended the entire weekend and joined us for some fun. Unfortunately, with the weather, there were no horse and buggy rides – but the Hosts made sure there were plenty of food and drink to make up for it.

FIRST AND FOREMOST – I want to always take a moment in sending prayers, healthy vibes, and thoughts to our members who have had a rough winter with ailments, sickness and even grief. Our sincerest heartfelt prayers always go out first to our CCRI family. No one is alone – please always know I am available anytime to listen, run errands or lend a hand – please do keep that in mind. In other news, the President, Vice President and Activities, Linda and Elizabeth and the entire committee have been busy setting up the year's events. We hope you will be pleased with what is in store – there is a little something for everyone. April brings us with a breakfast social and a dinner at the Old Grist Mill – we have so many parades, drives and our weekend getaway all set up for Members to start planning. There are many facets in planning an event and its every detail and I am humbled by this group of people I call my Team that do an outstanding job! **SO, STAY TUNED!**

The President and Vice President of CCRI attended the New England Meeting of Presidents and representatives at Corvette Mike's this past Saturday and although many clubs have their shows planned, I can still tell that there is a LULL in the year's events. Our sponsor, Paul Masse will be holding an NCRS day, and we will tell you more about that – as it is for the first time open to the.

I am happy to say that our annual **BLESSING OF THE CORVETTES AND PIZZA NIGHT AT OUR FIRST MAY MEETING ON TUESDAY, MAY 3, 2022, WILL BE HAPPENING –** Pizza, Ice Cream, and a Blessing of our Corvettes in our parking lot prior to the meeting – please see the attached flyers and be sure to save these dates. In the meantime, I want to wish everyone a **BLESSED EASTER AND PASSOVER** to each one of our members here and to our generous Sponsor and their families. Never is it more evident to be humble and kind to each other in these most uncertain and trying times. Our Food bank is in dire need of food, and I will be scheduling a drive whereby everyone packs their corvettes with food, and we will drop off to the Food bank.

Detailing your Corvette

Over the next few pages, we're going to show you some professional-level cleaning and detailing tips that will make your Vette gleam. Better still, these techniques can be performed in your driveway with just a few simple tools and a handful of car-care products.

Celebrating 57 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

RARE CORVETTES

RARE CORVETTES?

The 1963 Corvette Rondine

Built by Italian coach builder Pininfarina on the chassis of a 1963 Corvette, the [Corvette Rondine](#) is part Ferrari, part Corvette, and all kinds of awesome! Commissioned by [Chevrolet](#), the Corvette Rondine featured a number of identifiable Pininfarina design elements wrapped around the proportions of the factory Sting Ray. Although the car looks more Ferrari than Chevy, all of the car's underpinnings remained true to the second-generation Corvette, making this beauty a one-of-a-kind hybrid of Italian design and American muscle. This car actually lived in a museum from the time it was created until 2008, at which point it was purchased at auction by a private collector for a modest sum of just \$1.6 million dollars!
