PRESIDENT'S MESSAGE AUGUST 2023

Well here we are the 1st of August 2023 – our meeting came quickso is the FALL MONTHS AHEAD! Time is moving too fast. A huge thanks to all those Members that attended our annual Cocktail Party. It was another year of a complete success thanks to all of you that attended. My heartfelt gratitude.

A quick mention to those going through Life's speedbumps, especially Gino Marino who fell off staging this month and broke his leg. Gino and Sunshine (Brenda) are grateful to all the well wishes and prayers. Gino is in rehab and feel free to reach out to him or his beautiful wife to stop by and visit him at rehab – he would love the company. More details to come on that – Prayers to Deb Pryor, Richard Gallo, and Dan Landry – wishing them all well and all of YOU! Always in my prayers.

The Sunset Cruises is a remarkable success – we have one of our favorites coming up the “Beef Barn”, and the meeting place will be my home – at 5:00 p.m. and we will wonder down around 5:30 for the best Roast Beef sandwich and Ice Cream you could ask for.

Tuesday, August 1, 2023, is our meeting and this meeting will be focused on our Show!!!! Those that Volunteered, please be sure to see myself and Deb Papineau to make sure your name is on the list; and if your name is NOT on the list, please consider doing some time. The Activities Committee will be busy getting Dash Plaques together, hats, tickets – and getting trailers and staging ready for the big event. Any assistance you can give the team we truly do appreciate it.

POLO TICKETS – last call for POLO – so if you are interested in attending be sure to see Sheryl Petrarca at the meeting. This will sell fast (if it has not already). We will not touch any other events other than our Masonic Car Show coming up on Saturday, 8/5/2023, our Car Show, upcoming Sunset Cruise, and Polo.... We really need to iron out the details for our Car Show. A heartfelt thank you to our Sponsor Paul Masse for the Dash Plaques, Hats and Trophies. We have secured three Food Trucks – and now if Mother Nature can accommodate our needs – we will be all set to ROCK AND ROLL. Members you are welcomed to come onto the field with your vehicle. If you wish to consider a donation to your charity, it would deeply be appreciated. Members will not be JUDGED. Well, that is it – so much more to touch at our meeting – have a great evening and see you TUESDAY 8/1/2023.

Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

Parking lot banner at the National Corvette Museum in 2019

The Corvette Club of Rhode Island will be Celebrating its 60th Anniversary in 2024.

A capital campaign to raise \$500.00 during the 2023 season is underway. Labor Day Weekend 2024 the NCM will be hosting its 30th Anniversary Celebration. Thousands of Corvettes from all over the US, Canada and abroad will descend into Bowling Green, Kentucky for the celebration. It would be fitting that the Corvette Club of Rhode Island a Lifetime/Business member of the Museum be represented with a parking lot banner in 2024. There will be a fundraising raffle at February's Social to start things off. Any monetary donation will be appreciated throughout the year. See Randy Flock at any of the business meeting.

2024 Corvette Museum Delivery Option Price Increases Substantially

[Jonathan Lopez](#)

— Jul 18, 2023

For a lot of folks, purchasing a new [Chevy Corvette](#) is a *really* big deal, often signifying a moment of accomplishment and success, while inducting the new buyer into the extended family that is Corvette ownership. As such, many buyers opt for the Corvette Museum Delivery option, also known as option R8C, which provides the new owner with the unique experience of taking delivery of their new ride fresh off the assembly line in Kentucky. Now, however, the Corvette Museum Delivery option just got substantially more expensive with the introduction of the [2024 Corvette](#).

Previously, the Corvette Museum Delivery option ([RPO code](#) R8C) was priced at \$995 when ticked for the [2023 Corvette](#). Now, however, the option is \$500 more expensive, priced at \$1,495 when chosen for the 2024 Corvette. For those readers who may be unaware, the Corvette Museum Delivery option is offered in collaboration with the [National Corvette Museum](#) (NCM), located just down the street from the [GM Bowling Green plant](#) in Kentucky, the exclusive producer of the [Chevy](#) Corvette since 1981. The option includes a special VIP guided tour of the NCM for the new owner and up to three additional guests, where they will see the freshly produced Corvette on display. Customers are then provided an orientation and delivery presentation, while a unique gold decal is placed on the inside of the driver's door jamb. Customers also receive a personalized interior dash plaque, a personalized wall plaque, and an individual photograph in front of the museum. There's also an opportunity to tour the Bowling Green assembly plant, if desired. The 2024 Corvette arrives as the fifth model year for the eighth-gen C8, introducing a few important updates and changes, the most notable of which is the debut of the hybrid, all-wheel-drive 2024 [Corvette E-Ray](#). [Pricing for the 2024 Corvette](#) has also increased compared to equivalent 2023 model-year vehicles, with the destination freight charge now up to \$1,595, a \$200 increase compared to a DFC of \$1,395 included prior.

The National Corvette Museum is licensed by the Kentucky Department of Charitable Gaming under license number ORG0000854

At this time, we offer purchasers **located in Kentucky** the ability to purchase raffle tickets on their personal computers, mobile devices and on-site at the National Corvette Museum and NCM Motorsports Park.

To purchase a raffle ticket online, you must be at least 18 years of age and be **physically located in Kentucky** at the time of purchase. You do not have to be a resident of Kentucky to participate.

If you are not in Kentucky and will be using a credit card as your form of payment, you can use the site to interactively create an order form. The payment information will be encrypted for your protection and broken into two parts, some of which will only be on the print form.

YOU MUST HAVE ACCESS TO A PRINTER AT THE TIME THAT YOU CREATE THE ORDER.

Just The Tip

I Promise

Just The Tip (I Promise)

With Rick Lyons

I am hoping we can start a tips and tricks section in our monthly news letter. We will need your help with tips and tricks suggestions.

Tips can be submitted to me at rick5838@aol.com

I recently had a problem with my power top on the C6 after disconnecting the battery to do something and the top didn't respond to the dash switch at all . I looked on the internet and YouTube videos and the only suggestions I found was to re-index the windows,I tried several times with no luck.

What ended up working for me was I unlatched the top and pushed the top partially open then picked up the back of the top near the rear window. I was able to strap the top in the open position while I went behind the passengers seat reached up under the waterfall and pulled the release cable so I could manually open the the back cover. At this point I pulled the carpet away on the passengers side inside the storage area which revealed the pump. So I took an Allen wrench to the top screw and released the pressure from the system which allowed me to,push the top completely into the storage area i tightened the vent screw just before the top was in all the way and then I manually closed the back cover like it would normally be. Then I crossed my fingers and started the car and pushed the dash button to close the top and everything worked just as it should .

I hope this helps anybody who might have this problem.

So if you like the idea of having a tip section write me and we will see what we can do and it doesn't matter how simple the tip it could help someone in our club.

Thanks for your interest

Rick Lyons
