PRESIDENT'S MESSAGE AUGUST 2024

Peace, tranquility, good health, and serenity is all anyone wishes for their time on this planet. Here we are August, the last month of the Summer (technically). It is so nice to see Members enjoying their cars, their friends and getting involved with Club socials. The Sunset Cruises are such a great success and I thank those all involved in the planning of same. Thank you to those Members that attended the Ct. Car show, bringing home another Best Participation plaque from our brother club.

CORVETTES BY THE SEA – if Mother Nature is on our side, our show is scheduled for August 11 – with a rain date of August 18th. I am kindly asking that you please save the date and support the hard-working Captains and Committees that will be working this show. This is our fundraiser for our charities and for our Club. You all have not let me down yet...and Lord knows I don't want to let any of you down ever.... any assistance you could provide would be so very much appreciated.

OUR SPONSOR: A huge pre-emptive THANK YOU to our sponsor Paul Masse for donating the dash plaques, the trophies, designing the flyer and for being supportive of our Club throughout the years. I hope you will consider them when looking to upgrade your daily ride or in purchasing a new corvette.

THE IN-PROMPT RIDE OF LOVE FOR MY MOTHER – this past Tuesday, Dennis Langlois coordinated a ride of love and prayers with 30 other members that paraded in front of my mother's home – my Uncle Frank was here from New Jersey – you know that story of the 1959 Corvette that my Uncle was to restore, but instead a tree in his yard grew in the middle of it – yea that Uncle Frank was here to witness a parade of not only unique and amazing vehicles, but loving and caring members of our Club who took the time out of their day to show me and my family LOVE – during end stage cancer. They are telling us Mom will be with us until Labor Day – only GOD KNOWS THAT.... but doctors do come close. This show of LOVE AND AFFECTION to my mother Pia and my family will forever be embedded in our hearts.

PEACE, TRANQUILITY, GOOD HEALTH AND SERENITY is wished upon my extended Family, The Corvette Club of Rhode Island and to all those going through life's speedbumps.

I thank you for the LOVE, SUPPORT AND ATTENDANCE TO THESE SOCIALS...AND HOPE TO END THE SUMMER WITH ALL OF YOU! It is a balance between life, family and friends – and right now my mom who is my BEST FRIEND, is really the only thing I can focus on. With the support of my team, I hope to never let you DOWN and do the best I can as my role as President.

Detailing your Corvette

How concerned are you about your Corvette's looks? Is a trip to the drive-through car wash every few months good enough? Or do you obsess over things such as tiny swirl marks in your paint, or getting just the right amount of gloss on your trim? If you fall into the latter group, then you've come to the right place.

Celebrating 60 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

JUST THE TIPS

WITH RICK LYONS

Just The Tip

With Rick Lyons

This month I want to talk about the lubrication of your door hinges. Remember fiberglass doors don't have much reinforcement at the hinges. On C3 and C4 corvettes make sure you lubricate the pins and bushings also don't forget the rollers on the bottom of the hinge they roll over the spring when opening the door. On the C5 C6 the hinge is different with a coil spring and a lever and roller that need lube on the pivot points and the lever face that rubs against the roller. Unfortunately the rollers are on the bottom of the hinges on C5. On C6 they flipped the hinges so you have better access to the rollers and lever. I believe the C7 is pretty much the same as C6.

It is recommended that you use white lithium or marine lube or dedicated hinge lube. WD40 is not recommended it doesn't last long enough. A recommended lube is something like Door, Lock and Hinge all purpose lube made by Qucship. It's available on Amazon for \$13.00 for two different applicator bottles for hard to reach spots.

Well I guess that's it for this month.

I'm sure you must have some tips you can share. If so e-mail me with your tips or technics.

Please send tips to

Rick Lyons

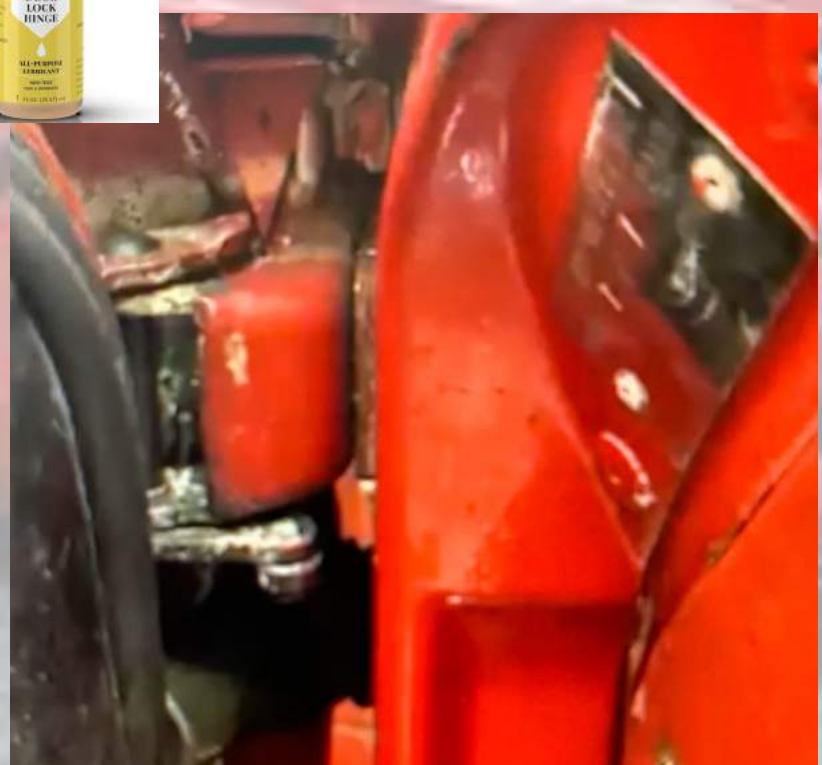

rick5838@aol.com

Please put just the tip in (subject area)

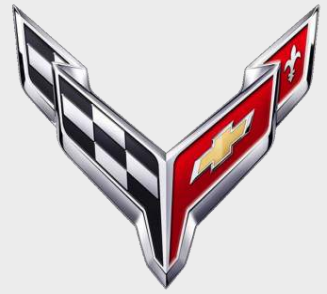

Thanks, Rick

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

Broad Usage : The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

Mileage Options: We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

Agreed Value : We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

Claims : If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

Lower Cost : Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

One Liability Charge : With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

Spare Parts : We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

Optional 9 – 5 : We offer "Nine to Five Driver" that allows you to drive your vehicle to work up to a couple times a week.

New Car? : Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

Trip Interruption Coverage : If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

Broad Deductible Options : From \$0 to \$10,000.00 on all vehicle types

Full Safety Glass Option : We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

Pet Coverage : We provide coverage if a pet is injured during an accident.
