### PRESIDENT'S MESSAGE DECEMBER 2023

Well here we are at the end of 2023. What a year it has been – even with the many rainy weekends, our Corvette family was able to enjoy some memorable moments with each other. I want to first send out prayers to the Annese family, the Papineau family, the Gallo family, and all those going through life's speedbumps. Please continue to have these families and your Corvette family always in your prayers.

You are all in my prayers daily.

A huge thank you to our **Sponsor Paul Masse** for his sponsorship, generosity and wonderful social at the East Providence Dealership – it was nothing short but outstanding as always. If you are looking for a great Christmas upgrade on your ride, be sure to visit your Paul Masse dealership and mention you are with the Corvette Club of Rhode Island.

**Tuesday, December 5, 2023, at 6:15 p.m. is our meeting – however on behalf of the Board of Directors, we have ordered Pizza and dessert for a small Christmas gathering. I hope you will consider attending – Pizza will be served at 6:15 P.M. We have a free raffle happening as well.**

### **ANGEL TREE FOR THE SHEPHERD OF THE VALLEY CHURCH DONATION**

I hope you will consider a donation to the church's Angel Tree; they are looking for hats, gloves, coats, children, or adult – so new (used) coats would be great – toys for young adults as well as youngsters. Any donation is appreciated.

I hope everyone had a peaceful Thanksgiving, the turnout at the Beef Barn Car show the following Saturday, was overwhelming to the Owners – they were so thrilled to see over 300 cars attend the event.

I am thankful for your love and support throughout the years and pray that we don't let you down the next two years.... I am grateful for my team, and I am honored to be **YOUR PRESIDENT**.

**HAPPY HOLIDAYS – HAPPY NEW YEAR TO ONE AND ALL – NOTHING BUT PEACE, GOOD HEALTH, AND LOVE TO THE CCRI MEMBERS AND THE CORVETTE COMMUNITY NEAR AND FAR.**

### Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

### Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

# Just The Tip

I Promise

## Just The Tip With Rick Lyons

This month I want to talk about convertible top care. I decided to use a well known product called RaggTopp. On a lot of instructional sites, it says to spray the top down with water, spray the cleaner product then brush in for a few minutes. Rinse it off the top and if needed repeat the process. Let it dry completely before spraying the protectant on. They recommend one coat sprayed in one direction and second coat in the other direction and let it sit until dry.

The way I did mine was to vacuum the top to get any pollen and dust out of the fibers before hosing it because I thought the hose pressure might just drive the dirt in. Then I sprayed it down with the hose then after it was well soaked, I sprayed the cleaner on very heavy and brushed the top with the horse hair brush supplied with the kit. After letting it soak for several minutes I rinsed it well and to my surprise a lot more dirt came out than I expected. So I repeated the process. Then I decided to vacuum the top to get as much water as possible off the top to speed up the process of drying. After it sat in the sun and completely dried, I sprayed the whole can of protectant on the top concentrating on the seams. Then I put a pair of latex gloves on and I massaged the chemical into the fibers. Working the area of the seams thoroughly until I could see that it was all worked in. After it dried I was very happy with the results.

I'm sure you must have some tips you can share. If so e-mail me with your tips or techniques

Please send tips to

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

**Broad Usage :** The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

**Mileage Options:** We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

**Agreed Value :** We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

**Claims :** If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

**Lower Cost :** Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

**One Liability Charge :** With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

**Spare Parts :** We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

**Optional 9 – 5 :** We offer "Nine to Five Driver" that allows you to drive your vehicle to work up to a couple times a week.

**New Car? :** Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

**Trip Interruption Coverage :** If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

**Broad Deductible Options :** From \$0 to \$10,000.00 on all vehicle types

**Full Safety Glass Option :** We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

**Pet Coverage :** We provide coverage if a pet is injured during an accident.
