PRESIDENT'S MESSAGE FEBRUARY 2023

The month of LOVE..... FEBRUARY 2023 – I hope this email is finding our family well. Prayers and continued love and support to those Members going through life's speedbumps. I am praying that our friend, Marlene Gallo is recovering from her current surgery, and that long time member and friend, Edward Briggs is still shutting cancer down with his fight to recovery. Prayers to their caregivers as well.... These are just two to mention – but again, hoping that everyone is staying well. We have been so lucky with the weather – so tempted to take the car out of hibernation.

ANNOUNCEMENT: I have appointment a new Publicity Director and her name is **JUSTINE PAPINEAU** – so be sure to like our Facebook page and see all the upcoming live feeds on our events and car shows – between the both of us; you will be fully informed. Thank you, Justine, for stepping up to the plate and helping. **ACTIVITIES** – this weekend twenty-three of us gathered and put our thinking caps on of what worked and did not. Polo is back...and thank you to **Sheryl and Jimmy Petrarca** for putting that together for us. Sunset Cruises, winery rides, brunches, weekend getaways, back to the beach, parades and so much more. Our events will post on our website as well as shows that we support. So please be sure to make sure you read your newsletter, like our fb page and our website. We know we all want to enjoy our cars and that is the goal for us to be together and drive.... anything after that is all an EXTRA BONUS.

Thank you, Members, for your continued support to our sponsor Paul Masse. Remember if you wish it, you can achieve it with our sponsor. Our show will be August 13, 2023, with a rain date of the following Sunday. Roger Papineau and Peter DiBonventura will be entrance and parking leaders – and we need volunteers!!!! More to come. Thank you, Guy Comostra, for doing an excellent job with Membership!

Be sure to always love the one you are with, always. Life is precious. Looking forward to seeing you on our February meeting – **Tuesday, February 7, 2023, at 6:30 p.m.** If anyone has any questions or needs anything – please do not hesitate to contact me.

Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

RARE CORVETTES

1967 Corvette L88

Number of Copies Sold or Produced: 20 – only 1 left with original engine

Release Date: L88 engine available from 1967 – 1969

Current Value: \$2.695 Million – \$3.4 Million (price paid at auction)

Although they both came out in the same year, the **1967 Corvette L88** and L89 couldn't be anymore different. Because the L89 is pretty easy to fake, when one is found people don't really get that excited and the cars don't sell for nearly as much as the Corvette L88, which is considered one of the holy-grails of the Corvette world. The L88 designation means the car packs a 7.0-liter V-8 (hence the "427" on the hood), 4-speed manual transmission, and a Positraction rear differential.

Although 20 1967 Corvette L88s were produced, its believed that only about half of them still exist and there is only one with its original engine. This incredibly rare original Corvette L88 was sold in early 2021 for a cool \$2,695,000. Another Corvette L88 was sold for \$3.4 million back in 2013.
