## PRESIDENT'S MESSAGE JANUARY 2024

**HAPPY NEW YEAR CCRI MEMBERS.....Don't look back, hold the year and the events as precious memories, and MOVE FORWARD in making new ones.** I cannot start this New Year or any message, without saying Prayers for those Members that are truly HEALTH WARRIORS.... You are all in our Prayers and thoughts daily. Wishing Richard Gallo, Douglas Lombardi, Gino Marini all those that are suffering through this current strand of virus and flu, covid and any other health issues. Keep strong, stay positive and have faith, your CCRI family is praying for your speedy recovery. Sincerest condolences to Norma Sellier Annese for the loss of her husband and our dear friend Dwight right before Christmas. He will forever be a part of so many members memory. We will miss his tall presence, kind soul and amazing smile. God Rest in Peace my friend.

ACTIVITIES MEETING is scheduled for the month of January to plan out the year's calendar of events. We pray Mother Nature will have a kind heart and sunshine down on us this up-and-coming Corvette Season. CCRI celebrates its 60<sup>th</sup> BIRTHDAY, and who does not love a Birthday Party. NCM Caravan is this year, and of course the many car shows planned ahead. FIRST UP AND CENTER, is our Valentines social at Bella's restaurant, we hope you will consider this event, should it snow, we will reschedule. That is the focus this year for Activities, is that if the weather is wet and wild, we will do our best to reschedule an event.

PAUL MASSE SPONSOR – I want to take this moment to wish our sponsor an incredibly HAPPY NEW YEAR...we thank you for the continued support to the Corvette Club of Rhode Island, and I want to thank the Membership for your support of their business. Our first meeting will be the first Tuesday of the month of February, at that time, you still have time to sign up for the February Social at Bella's. I know Members are travelling this month – please be safe and ENJOY 2024!!!!!! January 3, 2017, I was elected President of this Amazing Club.... still standing 7 years strong now and my heart is still humbled by the support, confidence, and love by all of YOU. Happy New Year Members – remembering those gone always and looking forward of spending time with my CCRI family for many more wonderful memories ahead in 2024. Good Health to all.

### Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

### Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

### Join the Club

Are you the owner of a **CORVETTE**? CCRI has been a very active club for over fifty years. We'd love for you to join us as we celebrate the only true American Sports Car while we work with local charities, the Veterans, and more.

## Just The Tip

With Rick Lyons

This month I haven't come up with any tips .But I would like to mention a few products I have my eye on .The first one is called the Boot-Bag. It is a waterproof bag that mounts on the trunk of your car with a protective mat under it. It is meant to carry extra luggage that won't fit in the car. Connie and I are attending the 2024 Caravan this summer and since we own a C6 convertible and we love having the top down as often as possible which doesn't leave much room for luggage we are going to try this bag. Some of the things I like about it is you can unclip it quickly and throw it inside the car when going into a restaurant or someplace for a quick unattended stop. And when reaching the hotel you can just unstrap it and add the shoulder strap and you are off. Maybe I can have a review after our trip.

Next I have an interest in something called Soler Performance Electronic Throttle Controller. I will probably buy mine from C&S Corvettes. It is meant to take the throttle lag out of your gas peddle it has many settings from bad weather to help keep you out of the throttle to drag race mode to have no lag at all. But it also has things like valet mode that won't let rpm's rise no matter how far you push the throttle and an anti thief setting so throttle won't work.

It comes with a small screen to control it or it runs from an app on your phone. I'll have to let you know how it works when I get it next year.

The third thing I have been interested in is the car capsule indoor car bubble to protect your car when not in use. Your car is completely encased in a bubble that is inflated by a filtered fan that moves air around the car. I don't know anyone that has used one but I think I'd like to try one. If you have used one I would appreciate your feed back.

Well that's it for this month I hope some of you are enjoying my articles and will be encouraged to add some tips.

I'm sure you must have some tips you can share. If so e-mail me with your tips or technics

Please send tips to

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

**Broad Usage :** The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

**Mileage Options:** We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

**Agreed Value :** We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

**Claims :** If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

**Lower Cost :** Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

**One Liability Charge :** With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

**Spare Parts :** We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

**Optional 9 – 5 :** We offer "Nine to Five Driver" that allows you to drive your vehicle to work up to a couple times a week.

**New Car? :** Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

**Trip Interruption Coverage :** If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

**Broad Deductible Options :** From \$0 to \$10,000.00 on all vehicle types

**Full Safety Glass Option :** We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

**Pet Coverage :** We provide coverage if a pet is injured during an accident.
