PRESIDENT'S MESSAGE JULY 2024

THE HOME OF THE FREE AND THE BRAVE – LONG MAY SHE WAVE.... And just like that we are in the month of July.... Back to the Beach was a great success and we brought home best participation. Thompson Speedway was also a greatly attended event by Members. It was clearly obvious that our members enjoyed the “need for speed”. I am so thrilled that everyone had a great time. Thank you to our host Deb and Roger Papineau for another successful event. A special thank you to Justine Papineau and Warner Dauphinee for capturing the memories in photograph for our face book page. Be sure to like our Facebook page Corvette Club of Rhode Island.

JULY – BRINGS US OUR FIRST CCRI FAMILY PICNIC IN A VERY LONG TIME. We hope you will join us on July 13th at the Masonic Youth Center in Warwick for some food, drink, and merriment by the water. Weather permitting for a couple of hours it gives us a chance to meet and greet with everyone and enjoy a couple of hours of relax time. There will be food trucks, libation trucks and “CAKE”. So please be sure to join in on the fun. July 14th – the Sunday – it is our annual support to the Club Corvette of Ct Morosso Performance Corvette show in Guilford, Ct. Flyers for both events are listed here in our newsletter. I am hoping and challenging new members to join us for a supportive fun filled day and competition in Ct. We always show our colors proudly at these events, and I thank you in advance for your support for same. Please save the date.

I end this newsletter with sincerest condolences to the Levesque family (David, Natalie and Karen Dori (Dave’s sister) and the entire Levesque family for the passing of their mom Kay. Your extended family sends to you and yours our sincerest condolences. I want to also ask that you keep the following Members in your prayers who are going through some very major speed bumps. In mention they are Michael Gornstein, Deb Pryor, Guy and Ann Marie Comostra, Richard Nelson, Ed and Diane Briggs, Marlene and Richard Gallo and anyone else that is feeling under the weather. Please keep my mom in your prayers as well (Pia) as she too is battling cancer. These are all strong warriors and I know with prayer, love, and support from their extended family, they will get strong in spirit, body and soul and will overcome these hardships.

I thank you for your love and support always, and truly look forward in spending our family picnic together and meeting new friends and gathering with old ones. Our meeting is Tuesday, July 2, 2024, and I hope to see you there – Our Corvettes by the Sea Car Show is in August, and we have a lot to discuss.

Detailing your Corvette

How concerned are you about your Corvette's looks? Is a trip to the drive-through car wash every few months good enough? Or do you obsess over things such as tiny swirl marks in your paint, or getting just the right amount of gloss on your trim? If you fall into the latter group, then you've come to the right place.

Celebrating 60 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

JUST THE TIPS

WITH RICK LYONS

Just The Tip

This month I want to talk about keeping service records. One of the best ways to keep your service records is by putting them on a USB thumb drive so you can have a copy on your computer and the drive. You can add photos of your car, especially after detailing it for a show, that way you will have the best pictures for future use like when it's time to sell. Don't forget to take photos of all the receipts for parts you installed as well as parts installed by your mechanic, don't forget things like when tires were replaced or when you added that small aftermarket piece. Then I would recommend you store the drive in the glove box so it's always with the car.

The next thing I want to talk about is an update on a couple of things I wrote about in past newsletters. One of them is the Boot-Bag I purchased for our caravan trip. We did a trial run with it during our trip to Maine for Back 2 Beach. It worked great for us and it freed up half of my trunk space for other things. It was easy to install, it stayed in place, and never seemed to move even with Mario Connie Andretti driving. Also I was able to open the trunk while it was installed and was able to use the convertible top while installed.

The other product I want to update you on is the Soler Bluetooth Throttle Controller I installed. It was very easy to install just plug-n-play. After connecting to my phone I had complete control of the throttle via Bluetooth. It has plenty of setting to try from weather mode to drag race mode as well as valet, a theft mode which doesn't allow the peddle to work at all. So far I'm very happy with it and I'm still trying new settings.

Well I guess that's it for this month.

I'm sure you must have some tips you can share. If so e-mail me with your tips or tech-nics.

Please send tips to

Rick Lyons

rick5838@aol.com

Please put just the tip in (subject area)

Thanks, Rick Lyons

This three month, limited-engagement exhibit runs through September 15, 2024 and features:

- Recovered Sinkhole Corvettes
- Personal Interviews
- Museum Chronology
- Original Sinkhole and Boulder

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

Broad Usage : The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

Mileage Options: We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

Agreed Value : We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

Claims : If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

Lower Cost : Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

One Liability Charge : With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

Spare Parts : We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

Optional 9 – 5 : We offer “Nine to Five Driver” that allows you to drive your vehicle to work up to a couple times a week.

New Car? : Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

Trip Interruption Coverage : If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

Broad Deductible Options : From \$0 to \$10,000.00 on all vehicle types

Full Safety Glass Option : We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

Pet Coverage : We provide coverage if a pet is injured during an accident.
