PRESIDENT'S MESSAGE FOR JULY 2022

Hello members – Can you believe we are halfway through the year? How time flies. **Well, we had quite the Memorial Day Weekend – with our Club bringing over 23 trophies, as well as Best Participation, from the Gate City Car Show.** It was a long hot day, but so worth it. **The Memorial Day Parades were fun** – we had over 30 cars in attendance, even a participant from our FB Page who is now going to be inducted as a new Member who joined our Club from the parade. What is better than that? **Thank you, Denny Langlois, for organizing the travel to and from Gate City, thank you Peter and Ernie for coordinating another successful parade.** Back to the Beach is coming up next weekend and we are looking forward to a fun filled BEACH PARTY with our Corvette families near and far – wishing everyone safe travels to Old Orchard Beach Maine- and hoping Mother Nature cooperates with us.

OUR MEETING IS SCHEDULED FOR THIS TUESDAY, JUNE 7, 2022, AT 6:30 P.M. – we hope to see you there as we will be taking reservations for our Annual Cocktail Party scheduled for July 17, 2022 – we have the Sunset Cruise coming up June 15, 2022, and a Social Ride to Gillette Castle on June 26, 2022. So many fun things coming up! SO DON'T MISS THIS MEETING.

Thank you to our Brave men and Women who serve our Country and who have served our Country for Our Freedom. God Bless all our Veterans.... I am blessed to be the President of this amazing Club and thank each and everyone member in my team, and the membership for your participation in our events. It is YOU.... that make this Club an enjoyable corvette enthusiast family. I have met so many wonderful people in this Club that I now call FAMILY.... Sending positive vibes, prayers and love to those Members who are not feeling well and still going through life's speedbumps. You are all constantly in my prayers – and members I hope you will do the same.

Thank you to our sponsor Paul Masse for their years of support to our Club – we are forever grateful for having such a generous sponsor of the Corvette Club of Rhode Island. Be sure to check our website and to like our FB Page for all up and coming events.

THERE WILL BE NO MEETING ON JULY 5, 2022 – WE WILL BE MEETING THE FOLLOWING WEEK ON TUESDAY, JULY 12, 2022 - SO PLEASE PUT THAT ON YOUR CALENDARS. WISHING EVERYONE A HAPPY FOURTH OF JULY (INDEPENDENCE DAY) TO EVERYONE Be safe, enjoy family and friends as LIFE IS SO EVER PRECIOUS.

Burrillville, RI 02830

Dear Ms. Dolan,

Thank you for your generous donation in the amount of \$400.00 on behalf of the Corvette Club of Rhode Island.

On behalf of the children and families we serve, St. Mary's thanks you for your investment in their lives. Every day we work with Rhode Island's most vulnerable children who have suffered physical, sexual, and emotional abuse or face the difficulties of mental illness. These children need as many adults in their corner as possible.

These funds will go directly to providing hope and healing to hundreds of children and adults each year. It is no understatement to say we couldn't do this work without you. As we all continue to struggle with the mental health and physical effects of the pandemic, our supporters mean more than ever before.

We believe that each and every child is special and deserves all the services they need to grow up into healthy, successful adults – and with our supporters help, we will make sure that this mission continues to thrive long into the future.

With gratitude,

Carlene Casciano-McCann

Dear Ms. Dolan:

Please express our sincere appreciation to the members of the Corvette Club of RI for their very generous donation of \$400.00 to the Elizabeth Buffum Chace Center. This donation will be used to support the work of the Center, helping us to provide families with safety, support and an opportunity for a violence-free future.

The Elizabeth Buffum Chace Center has served families affected by domestic violence for 43 years. Since the start of the pandemic, we have expanded our services to include virtual (Zoom) counseling sessions, support groups and case management for those who are unable or hesitant to leave home. While our court advocates and our law enforcement advocates continue to meet with clients in person, several extra precautions have been put into place. During this time, our shelter remains fully occupied and we are working closely with the residents helping them to obtain safe, permanent housing. In all, our doors have remained open and our staff is fully committed to serving as many victims as possible. All our services continue to be offered at no cost to the clients, thanks in large part to support from the community.

This gift will ensure that our clients continue to receive the vital services that they need to live lives free from violence. We are grateful to the Club members for their continued generosity and support.

Sincerely,

Judith S. Earle
Executive Director

Ms. Liliana V. Dolan
President
Corvette Club of Rhode Island
90 Colwell Rd
Harrisville, RI 02830-1860

Dear Ms. Dolan:

Thank you for the Corvette Club of Rhode Island's recent contribution of \$800.00 to the Rhode Island Community Food Bank which was received on March 31, 2022. This acknowledgement was delayed because of an administrative error on our part for which we apologize. Please know how much your gift is appreciated as it enables us to provide food assistance throughout the state, ensuring that your neighbors have enough to eat.

Right now, our most vulnerable seniors and families with children are struggling to afford food. Prices are soaring, and Rhode Islanders who've lost COVID-related government benefits and eviction protections are in trouble. These difficulties can be devastating to our neighbors who were already on such limited budgets.

Your generous support ensures we can maintain a high level of food distribution and create new solutions to help people who urgently need food. With this safety net in place, our neighbors in need have access to healthy, culturally relevant food to feed their families.

Thank you for enabling us to provide nourishing food through our statewide network of member agencies. With your help, we are ensuring that every Rhode Islander can put food on the table.

Sincerely,

Andrew Schiff
Chief Executive Officer

*I'm very grateful for
your generous support*

P.S. For timely updates on our work and to learn about upcoming events and activities, please join our email list. Visit rifoodbank.org and enter your email address at the bottom of the page.

In compliance with IRS regulations regarding gifts of \$250 or more, the Rhode Island Community Food Bank hereby acknowledges that the donor(s) received neither goods nor services in return for their gift. This letter will serve as acknowledgment of contribution received.

Happy 54th Birthday Hot Wheel

Make plans to visit Hot Wheels: Race to Win at the National Corvette Museum

Hot Wheels was born when Elliot Handler (shown above and his wife and Mattel co-founder Ruth Handler) challenged his design team, which included a General Motors car designer and a rocket scientist to create a toy car that was cooler and performed better than anything on the market. They answered with the first ever trackable toy car.

Handler was so impressed by the car's groundbreaking new wheel design and performance that his first response when he saw it rolling along the floor was "Those are some Hot Wheels"

RARE CORVETTES

BYE CORVETTES?

The 1983 Corvette – “The One and Only”

When it comes to rare – and valuable – you won’t find rarer than this. And its ironic (in a way) since the fourth-generation Corvette is so often regarded as one of the least popular, least collectable of all the Corvettes in the brand’s 70 year history. Yet, in the heart of Corvette country in the rotunda of the National Corvette Museum in Bowling Green, Kentucky, you’ll find the one-and-only 1983 Corvette still in existence today. While this car was built as a “pilot car” to help in the development of the manufacturing process at the newly built Bowling Green Assembly plant in 1981, this Corvette survived the crusher by an incredible twist of fate, and spent more than a decade as a “greeter” in the plant’s lobby before being donated by GM to the NCM when they opened their doors in 1994. While it may look like most other early C4 Corvettes, this car is literally priceless and therefore stands as the ULTIMATE example of the rarest Corvette of all time.
