PRESIDENT'S MESSAGE FOR THE MONTH OF JUNE 2023

The Generations of the Corvette – quite the change, isn't it? Somewhat like our life and the changes and evolvment of our own metamorphosis. I know in my lifetime I have gone through more changes mentally, physically, and emotionally than I care to remember – but with every change comes GROWTH, HOPE, AND THE REALIZATION OF WHAT TRULY MATTERS IN LIFE.

We are supporting our Brother and Sister Clubs this summer not for the TROPHIES, OR THE DONATION TO OUR CHARITIES – which are so important – not to mention the maintaining of the support of the Clubs for the next generation of Corvette enthusiasts – but to SUPPORT EACH OTHER AS A CORVETTE FAMILY. Because that is what we are...I realize our own Family comes first; but I just want you all to know – it takes a lot of effort for me to attend these shows and not be there for my daughter and my grandchildren; I do whatever it takes to maintain a balance to do what I enjoy and take care of my family – SO I TRULY DO APPRECIATE WHEN YOU TAKE THE TIME TO DO THE SAME. I cannot thank the wives enough for getting up early and supporting your husbands and/or partners in participating in the events we have planned.

I am not sure when you will receive this newsletter – but if you attended the Show at Gate City this weekend “A HEARTFELT THANK YOU”. If you have attended the Parades this week – “A HEARTFELT THANK YOU”. I am always humbled to be this Club's President and I am humbled by the support you have all given me and to this Club throughout the years. Thank you to my team and to you “THE MEMBERSHIP”, for making our Club what it is....

Whatever you decide to do, remember those that have served, Blessings to those going through Life's Speed Bumps, be safe, be happy, humble, and kind – HAPPY MEMORIAL DAY WEEKEND!

Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

Parking lot banner at the National Corvette Museum in 2019

The Corvette Club of Rhode Island will be Celebrating its 60th Anniversary in 2024.

A capital campaign to raise \$500.00 during the 2023 season is underway. Labor Day Weekend 2024 the NCM will be hosting its 30th Anniversary Celebration. Thousands of Corvettes from all over the US, Canada and abroad will descend into Bowling Green, Kentucky for the celebration. It would be fitting that the Corvette Club of Rhode Island a Lifetime/Business member of the Museum be represented with a parking lot banner in 2024. There will be a fundraising raffle at February's Social to start things off. Any monetary donation will be appreciated throughout the year. See Randy Flock at any of the business meeting.

This is my 1962 Corvette. I purchased the car in 2013 from F-40 Motorsports in Portland CT, as a driver/survivor car. Other than repainting in the original color, a replacement aluminum radiator, and some interior components, the car was largely an original, numbers matching example showing an assumed 105K miles on the odometer.

After a summer of cruising and a few shows the car returned to F-40 for a full mechanical restoration completed early in 2015. Its original 340 HP/327 CI, solid lifter engine was rebuilt along with the transmission, rear transaxle, and steering box. All suspension components including the rear leaf springs were replaced with attention to authenticity. The generator was completely rebuilt and the engine compartment and underside of the vehicle detailed.

A full restoration of the interior of the car was completed over the winter of 2015/16 by renowned Rhode Island restoration expert, Todd Lewis of Xtreme Restorations in North Smithfield, Rhode Island. I now intend to drive and enjoy the car to include some local shows and cruise nights.
