PRESIDENT'S MESSAGE JUNE 2024

WELCOME JUNE – Hello Members:

I hope this President's message finds you well. May has come and gone and the season is officially started. Sunset Cruises, Gate City Car Show, Memorial Day Parades, Socials have started, and all very well attended. The above picture is from the group of attendees at the Gate City Car Show on Memorial Day weekend. Every car was a Number 1 winner in my book. Most of our members came home with hardware and the Club won Best Participation – so thank you for the support. The Memorial Day Parades went off without a hitch and the Towns totally appreciated and loved all the cars that attended that event as well. Thank you so much everyone who attended and coordinated these events. Sunset Cruises is a big hit – every other Wednesday – so let's hope mother nature cooperates with us on these well attended events. Back to the Beach is coming up for those that have signed up a year ago...that's right a year ago. This is always a fun time, and Members are welcomed to drive up to Old Orchard Beach Maine on the Saturday June 15, 2024, to the center of Town for the parade. Unfortunately, this is a sold-out event, but anyone can come up on the Saturday for the day and enjoy the festivities on Main Street. I can explain more at our June meeting coming up on Tuesday, June 4, 2024.

Our first celebration picnic is coming up on July 13th and on July 14th is Club Corvette of CT's car show, which we support. I am asking and challenging NEW MEMBERS, to please consider supporting your club by attending this car show on July 14th I hope mother nature is kind to us for our picnic as well.

On May 8, 2024, my mother was diagnosed with a terminal intestinal cancer. She is currently undergoing radiation treatments to shrink an inoperable tumor in her stomach. So unfortunately, yours truly may not be able to attend some of our socials this summer. My siblings and I are tending to her and taking turns in her care. My family is very supportive of my role as President, so I will try to attend as many as possible. However, my mother comes first. I Pray that our Corvette Club of Rhode Island members are doing well, but special mention to Ed Briggs, Debbie Pryor, Richard Gallo, Marlene Gallo and to all those care givers out there, that are tending to a loved one. Prayers for strength, good health and comfort.

Thank you to our Sponsor Paul Masse for his continued support of the Corvette Club of Rhode Island. I hope if you are considering in upgrading your ride that you will visit our sponsor's dealership throughout Rhode Island. Make sure you tell them, that you are a proud member of the Corvette Club of Rhode Island.

Detailing your Corvette

How concerned are you about your Corvette's looks? Is a trip to the drive-through car wash every few months good enough? Or do you obsess over things such as tiny swirl marks in your paint, or getting just the right amount of gloss on your trim? If you fall into the latter group, then you've come to the right place.

Celebrating 60 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

JUST THE TIPS

WITH RICK LYONS

Just The Tip

With Rick Lyons

This month I want to talk about the C5 model, Again I don't have one but while researching I found a few things you may want to know about.

The number 1 most common C5 Corvette Engine Problem and what the solution to this problem is, and other things you should consider replacing when doing this job.

The number one problem is the Oil Pressure Sensor goes bad and either reads to high or could read to low which can put the engine in limp mode.

The fix is something most enthusiast can fix on their own. You have to unbolt the intake and disconnect some vacuum lines and use a special tool to release the fuel line. After unbolting the intake you can move it forward toward the radiator or take it out. You will find the oil pressure sensor in the intake valley at the rear just take it out and replace . If you want to go an extra step there is a relocation kit so you won't have to remove the intake in the future.

But while the intake is off it's time to clean any debris you find and you should replace the two knock sensors located in the same area. You will need new manifold gaskets which isn't a terrible thing they're pretty old. And you might as well clean the throttle body while you have it there. It looks like parts for this will be around \$100 without the relocation kit, not bad.

Some other things I came across are switching out your battery for an AGM battery they are much more durable and last longer, the main problem with the original type of battery is they can leak acid and your battery is sitting right on top of your computer and you don't ever want that to happen.

Also the C5 is prone to harmonic balancer issues which most people are aware of, I had to replace the one in my C6.

There is also a problem that comes up occasionally that can lock the steering column. There is a fix known as lock module LMC5 from Compliance Parts it's suppose to be an easy fix. Compliance Parts also sells a part known as the GAGS Skip Module that lets you bypass that 1st to 4th shift lockout.

One other thing I saw often was upgrading the headlights which people complained about brightness there are plenty of options for better bulbs. There is also a light upgrade called sleepy eye conversion sold by KnightDriveTV the people that have them swear by them for brightness and they love the look. You can check them out on YouTube. I guess that's plenty for now.

WWW.NCMINSURANCE.COM

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

Broad Usage : The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

Mileage Options: We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

Agreed Value : We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

Claims : If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

Lower Cost : Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

One Liability Charge : With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

Spare Parts : We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

Optional 9 – 5 : We offer “Nine to Five Driver” that allows you to drive your vehicle to work up to a couple times a week.

New Car? : Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

Trip Interruption Coverage : If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

Broad Deductible Options : From \$0 to \$10,000.00 on all vehicle types

Full Safety Glass Option : We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

Pet Coverage : We provide coverage if a pet is injured during an accident.
