PRESIDENT'S MESSAGE MAY 2024

Happy May Members

I am hoping mother nature is kind to us this year as we have so many fun events planned this year. The Committee is truly trying to have events scheduled with rain dates – in which we hope we will not need. The cocktail party was a great attended event. Thank you to those that supported it and attended it. The Kirkbrae CC did a great job with everything, and the music was an added treat. **May 7, 2024 (Tuesday) is the first Tuesday of May and our Annual Ice Cream, Pizza and Blessing of the Corvettes for CCRI Members. This year the BOD will pick (7) Board of Directors choices with trophies – so shine those beautiful mental therapies up! There will be raffles as well and perhaps our Sponsor Paul Masse will humble us with a visit from him as well, to tell us of all their specials at the Paul Masse dealerships.**

Stay tuned to your emails for up-and-coming sunset cruises which hopefully start this month as well – and other rides and events. Communication is key with me, and we strive to keep everyone updated of what is coming up. Be sure to always check our website, our fb page and of course you all can always email me anytime at ccofri@gmail.com or contact me via phone at (401) 369-2881 anytime. **SAVE THE DATES – Our first 60th Birthday Picnic is happening (weather permitting) on Saturday, July 13, 2024 from 11 – 3:00 p.m. at the Masonic Youth Center located at 116 Long Street, Warwick, RI – food trucks, will be in attendance as well as a beverage truck – so if you want to bring a lunch you can – otherwise, bring your chairs and come relax – we will have a corn hole game there – raffles and just some Corvette Club of Rhode Island Family fun.....More to come on this. Parades, Car Shows, Blessing of Corvettes and so much more is kicking off the season of MAY.... I cannot wait to see the beautiful array of skittles in the parking lots of many of these events.**

I am hoping this newsletter finds everyone feeling better and healing well. I want to personally thank my committees and Board of Directors for the support and hard work they put into this Club, including our Ambassador Randy Flock of NCM. It is truly the heart and core of this Club alongside the membership that keeps this engine running. **Wishing the beautiful ladies of this Club a Happy Mother's Day – and a bright, shining and warm month of MAY TO ALL OF US.**

**SAVE THE WAVE, WITH ANGELS ON WHEELS ALWAYS

Detailing your Corvette

How concerned are you about your Corvette's looks? Is a trip to the drive-through car wash every few months good enough? Or do you obsess over things such as tiny swirl marks in your paint, or getting just the right amount of gloss on your trim? If you fall into the latter group, then you've come to the right place.

Celebrating 60 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

JUST THE TIPS

WITH RICK LYONS

Just The Tip

With Rick Lyons

This month I want to talk about fluid changes in my C6.

I just changed the motor oil ,trans fluid and differential fluid.

I used Mobil 1 extended performance 5W-30 with a Mobil 1 M1-113 Extended Performance Oil Filter it took just under 6 quarts

In the rear diff. I used ACDelco Dexron LS gear oil SAE 75W-90 GL-5 #88862624 which already has the additive needed for the limited slip it took just a bit over 2 quarts to fill.

In the trans I used Royal Purple SNYCHROMAX High Performance Manual Transmission Fluid that took just over 3 quarts

About my choices, I always use Mobil 1 oil and it is GM approved.

The gear oil I chose was, after watching several YouTube videos and consulting a few Corvette Forums, and the consensus from all was to use the #88862624 because it already has the needed additive, if you use the Dexron 3 that's recommended, you need to add the limited slip fluid which was the way when my car was built but they have come up with better products since then.

As far as the trans fluid it came down to the Corvette Forums. A lot of guys highly recommend the Royal Purple Synchronax claiming it worked great and was noticeably smoother shifting .

...

If your thinking about doing your own it was very easy. No harder than a reg oil change. I do have to say using a lift really helps and you need to have the car level to do the trans & differential because you have to rely on the fill plugs to weep oil out to know you have the correct amount of fluid. And you will also need a bottle pump to transfer the oils from the container into trans & diff.

JUST THE TIPS

WITH RICK LYONS

Here's a breakdown of what I used

Mobil 1 M1-113 Extended Performance Oil Filter.	1 pc	\$19.99
Mobil 1 Extended Performance 5W-30.	6qt.	\$32.99
Dexron #88862624.	\$15.89 ea.	4 qt. \$63.56
Royal Purple Synchronax.	4 qt.	\$69.40
Slippery Pete 5cc Hand Pump	1 pc.	\$11.50

		\$197.44

Seems very reasonable maybe the cost of an oil change at some places.

My next project will be clutch fluid and brake fluid.

I'm trying to get ready for the Corvette Caravan this summer.

PS : there was one weird thing that came up a few times it was recommended to perform 8-12 figure 8's in a parking lot to get the new fluid into the clutches in diff.

I figured it wouldn't hurt anything so what the heck.

I'm sure you must have some tips you can share. If so e-mail me with your tips or technics.

Please send tips to
Rick Lyons
rick5838@aol.com

Please put just the tip in subject area.

Thanks Rick Lyons

RHODE ISLAND COMMUNITY
FOOD BANK

March 15, 2024

Ms. Liliana V. Dolan
President
Corvette Club of Rhode Island
90 Colwell Rd
Harrisville, RI 02830-1860

Dear Ms. Dolan:

Thank you for Corvette Club of Rhode Island's generous contribution of \$855.00 to the Rhode Island Community Food Bank, received on March 6, 2024. This gift helps us provide food assistance through our statewide network of member agencies, ensuring that your neighbors have enough to eat.

Right now, vulnerable seniors and families with children are struggling to afford food. Rhode Islanders continue to face sky-high rents and inflated food and utility costs. These difficulties can be devastating to anyone already on a limited budget. Too many people work hard for their families, but still need extra help.

This support ensures we can maintain a high level of food distribution while offering programming centered on the health and well-being of people facing food insecurity. With this safety net in place, Rhode Islanders in need have access to nutritious, culturally relevant food for active, healthy living.

Thank you again for your partnership in this important work. Together, we will ensure that every Rhode Islander can put food on the table.

Sincerely,

Andrew Schiff
Chief Executive Officer

Many Thanks for your generous support + dedication to our work!

In compliance with IRS regulations regarding gifts of \$250 or more, the Rhode Island Community Food Bank hereby acknowledges that the donor(s) received neither goods nor services in return for their gift. This letter will serve as acknowledgment of contribution received.

Chepachet, RI 02814

Dear Ms. Dolan:

Please express our sincere appreciation to the members of the Corvette Club of RI for their very generous 2023 year-end donation of \$855.00 to the Elizabeth Buffum Chace Center. This wonderful donation will be used to support the work of the Center, helping us to provide families with safety, support and an opportunity for a violence-free future.

The Elizabeth Buffum Chace Center is a non-profit organization whose mission is to provide safety and services for victims of domestic violence and sexual assault throughout central Rhode Island. We offer individual and group counseling and case management, court advocacy at Kent County Courthouse, law enforcement advocacy at local police stations, transitional housing, permanent supportive housing and specialized services for underserved populations. Our twenty-four hour hotline gives information and support to callers and our shelter provides critical safety to women and children fleeing abuse. All of these services are provided at no cost to our clients, thanks in large part to support from the community.

This gift will ensure that our clients continue to receive the vital services that they need to live lives free from violence. We are grateful to the Club members for their continued generosity and support.

Sincerely,

Judith S. Earle

WWW.NCMINSURANCE.COM

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

Broad Usage : The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

Mileage Options: We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

Agreed Value : We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

Claims : If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

Lower Cost : Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

One Liability Charge : With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

Spare Parts : We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

Optional 9 – 5 : We offer “Nine to Five Driver” that allows you to drive your vehicle to work up to a couple times a week.

New Car? : Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

Trip Interruption Coverage : If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

Broad Deductible Options : From \$0 to \$10,000.00 on all vehicle types

Full Safety Glass Option : We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

Pet Coverage : We provide coverage if a pet is injured during an accident.
