## NOVEMBER 2023 A MONTH OF BEING THANKFUL

Hello Members: I hope this newsletter finds everyone well. October came and went with many rainy weekends again, but some beautiful days during the week. The above picture was one of my mental therapy days and a reprieve from packing and cleaning my home, which I have been doing all Summer. I want to start off this newsletter by sending well wishes to some members who are recovering from surgery or are continued in going through life's speedbumps. First sending healing prayers always to Richard Gallo, Michael Pascale, Charlene Pascale, Kenny McGuire, Rachael Byron and last but certainly not least, Ernie Papineau. Continued prayers and support to Dwight Annese and his beautiful wife Norma. My prayers are constant for all of you, always. October's colors are still vibrant into November. As I am typing this letter, I am looking out across Nichols Pond here in the woods of Burrillville and the colors of the trees are still reflecting on the Pond. I will surely miss this beautiful estate that my late Husband and I built, for sure. However, I am looking forward to a new beginning and praying the home sells soon to a beautiful family, who will enjoy it as much as I did with my late husband, children, grandsons, and friends from CCRI. WHAT DOES NOVEMBER BRING – well first our social gathering at our sponsors dealership, Paul Masse is coming up – I believe this event is at capacity (there maybe a couple of spots left) we will keep you informed in our up-and-coming monthly meeting scheduled for TUESDAY, NOVEMBER 7, 2023, AT 6:30 P.M. SHARP!

**AGENDA FOR NOVEMBER MEETING IS AS FOLLOWS:** NOMINATIONS FOR PRESIDENT, VICE PRESIDENT, SECRETARY, TREASURER, (2) BOARD OF DIRECTORS. We hope you will consider perhaps running for any one of these positions listed above. More to come on that. CHARITIES – if you have a charity that you would like the BOD to consider for this year's donations – please be sure to submit the following: The name of the Charity, the cause, address and what it supports and it must be a Rhode Island Non For-Profit charity. The Board will then consider (after expenses for our year) what each charity will get. We are already supporters of the American Cancer Association, The RI Community Food Bank, Operation Stand Down – and we do give yearly to the Elizabeth Buffum Chase organization (home and shelter for battered women) as well. So should you wish to submit a charity to the BOD, this is the month to do it. BE sure your submission is submitted to our Treasurer, Michael Pascale directly please – this would be the only month to submit the charity of your choice for consideration.

THE ANGEL WISH – So.... our meeting place is doing a campaign, the Angel Wish – and after speaking with Pastor Effy I am asking that our members consider bringing in Toys, hats, gloves, scarfs, coats, boots, or anything you wish of a variety of sizes and such so that we may donate to our CHURCH FOR OUR MEETINGS. Without this venue we would not be able to meet each month and do the great things that we do with this Club. More to come on this – SHOULD ANYONE WISH TO SUPPORT THE TOYS FOR TOTS – WE ARE ASKING THAT ALL DONATIONS BE DROPPED OFF TO HILLSIDE AUTO SALES LOCATED AT 44 GANSETT AVENUE, CRANSTON, RHODE ISLAND – AND ASK FOR EDDIE IMONDI. He is now the new KING OF THE TOYS FOR TOTS AND OUR FORMER MEMBER (WHOM WE LOVE DEARLY). Any donations can be dropped off to Eddie and be sure you say that you are from CCRI. MORE TO COME ON THIS AS WELL. I hope to see you all on Tuesday, November 7, 2023 at 6:30 p.m. so that we can finish this year strong as a Membership. Our continued gratitude to our sponsor Paul Masse and friends. I look forward to our Social there this month – and hope to see you there.

### Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

### Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

## Just The Tip

I Promise

### **Just The Tip With Rick Lyons**

**This month I'll write about winterizing your car. I'm sure you will hear many variations on winterizing. I'll start with the debated oil change. I change mine in the spring. If you change it in the fall, you will notice your oil monitoring system will drop over the winter. It's also a good time to check all fluids. Next you should wash your car make sure you get all those fall leaves from the grille and radiator area don't forget to clean the interior and protect all of the trim and leather, don't forget to remove everything that doesn't belong in the car like water bottles and cleaning products that might freeze. Then I would recommend after you wash everything take the car to the gas station and add some Sta-Bil gas additive and fill the gas tank . I do it this way to let the undercarriage and brakes dry out before storing also give the gas additive a chance to mix and run throughout the fuel system. Speaking about brakes you should not have the E Brake engaged the E-brake pad could freeze in place or damage the rotor. You will want to add a bit more air to your tires maybe 5lbs or so because pressure tends to drop over the winter and this may help with flat spotting. Some people like to raise the car off the ground so the tires don't touch or they place something like rubber pads or carpet under the tires. You should add a battery tender to keep the battery topped off thru-out the winter. A lot of computer systems draw small amounts of power. Some other things to think about are winter washer fluid so it doesn't freeze and put some Silica bags in the interior to absorb any moisture trapped in the car. Some people add dryer sheets to keep mice away and they don't smell too bad. Some people stuff the tailpipes with steel wool or old microfiber towels to keep mice out also a good time to place sticky mouse traps in the engine compartment and around the car . Make sure you wipe any dust before putting on you car cover. One last thing, don't start your car thru the winter. It can cause damage because the engine and exhaust don't get hot enough to burn off moisture so let it sit un-started til spring when you can take it for a long ride. I'm sure I missed a few things so e-mail me with your tips or technics**

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

**Broad Usage :** The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

**Mileage Options:** We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

**Agreed Value :** We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

**Claims :** If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

**Lower Cost :** Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

**One Liability Charge :** With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

**Spare Parts :** We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

**Optional 9 – 5 :** We offer "Nine to Five Driver" that allows you to drive your vehicle to work up to a couple times a week.

**New Car? :** Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

**Trip Interruption Coverage :** If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

**Broad Deductible Options :** From \$0 to \$10,000.00 on all vehicle types

**Full Safety Glass Option :** We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

**Pet Coverage :** We provide coverage if a pet is injured during an accident.
