WELCOME OCTOBER 2022 - PRESIDENT'S MESSAGE

Well, here we are in October, the beautiful season of Fall. What an amazing year the Corvette Club of Rhode Island has had. September brought us together at the For Corvettes Only show in CT with a group participation of 48 people – this awarded our Club with \$1,000.00 to the charity of our choice. Operation Stand Down was that proud participant. Dennis Langlois and I delivered the checks this month to both Operation Stand Down and to the Rhode Island Community Food Bank. Our weekend getaway was just “out of the park” this year. The ride that Dennis Langlois and Steve Adams had prepared for us was breathtaking. New members attended the weekend getaway and Dan, and Janet Landry prepared some fun games for us to enjoy – as well as Sheryl, Jimmy, Rosemary, and Jim. The weekend was truly magnificent and a lot of fun.

The season is not over yet, and we hope you will join us at our meeting on Tuesday, October 4, 2022, at 6:30 p.m. at the Shepherd of the Valley Church in Hope, RI. We hope that you will continue to support the socials coming up – we have a mystery ride in October, many parades this month being attended by members, we have our Dinner Comedy Social happening in November and our CHRISTMAS GALA – so we hope that we will finish the season strong as a Corvette Family.

Before I end this short newsletter – I want to ask for continued prayers for those members and their families going through life's speed bumps. Ed and Diane Briggs, Bud and Carol Nolan, Marlene and Richard Gallo and anyone else needing some extra prayers. A very HAPPY 80TH BIRTHDAY TO RICHARD NELSON – wishing him nothing but love, health, and happiness always. Hope to see you on Tuesday evening – in the meantime enjoy October and all its beauty – our prayers to the members who were affected by Hurricane Ian – we pray you are all safe snowbirds.

**Save the Wave with Angels on Wheels always.

RARE CORVETTES?

1961 Mako Shark

The 1961 Mako Shark was not a production Corvette. Made by Larry Shinoda and Bill Mitchell, it was a concept car that foreshadowed the second-gen Corvette. The design was inspired by the shortfin mako shark, the fastest-swimming shark in the world. The little monster could speed up to 120 mph.
