CCRI WELCOME September 5, 2023, PRESIDENT'S MESSAGE

THIS MESSAGE IS DEDICATED TO OUR LONG TIME MEMBER AND FORMER PRESIDENT VINCENT CAPONE. For those of you that didn't know Vinny as he liked to be called – he was nothing short but a CLASS ACT. You can ask anyone in this Club, his dedication to our club, to his family, friends and to the NCRS was BAR NONE. We said goodbye to him this past week and he will be forever missed as an intricate part of our Club and our Corvette Family. May your soul rest in peace with no more pain, no more worries, and forever another angel watching down on your Corvette family.

SEPTEMBER, well what a beautiful month for rides and still some more adventures to take on together as a group. We have the FOR CORVETTES ONLY COMPETITION SHOW coming up this month – whereby I am humbly asking for a great turnout. We have an opportunity to win \$1,000 for our charity again this year; we took this home last year, and I am hoping for the same this year. Please consider joining us this month for this show in beautiful Ct. by the Ocean front.

CORVETTES BY THE SEA – I want to personally thank you all for attending, for donating, and for working our show again this year, in Narragansett. Mother Nature surely put pressure on me and the BOD this year in scrambling for food trucks – but we did it – and I cannot thank you all enough for all the help. It went off like a fine-tuned piano- FLAWLESSLY. The parking entrance was perfect, the alignment of the vehicles (a little tight), but PERFECT in every way – the exit and entrance were easy and convenient for everyone – the raffle table, the 50/50 runners, the volunteers worked endlessly to make it a profitable event and covering all of our expenses. OUR CHARITIES AND THE venue were taken care of – our expenses were re-couped and what more could we ask for. The donations from Steven Byron, Brewed Awakenings and last but certainly not least our sponsor PAUL MASSE WAS BAR NONE.... without these contributors, we would not have been able to donate to our charities such as we did. GOD BLESS YOU ALL AND THANK YOU FROM THE BOTTOM OF MY HEART!!!!

The food trucks were able to manage the crowd and I didn't hear any complaints about any of them – except for perhaps cold coffee.

The board is meeting this week as well and after a great turnout – I have presented that I feel we should stick with Narragansett, should they want us back. I feel that next year being our 60th BIRTHDAY – that we should stay strong where we are – plus some of our members who are key people in our show with volunteering were not available on the dates at the Masonic Youth Center.... So further discussion on that soon. Looking forward to many more adventures till the end of the year with my Corvette family. Prayers are constant for those that are unable to be with us due to illness or recovery. Please know you are always in my prayers and thoughts. I am SO humbled to be your President and look forward to an amazing end of season with everyone.

Save the Wave with Angels on our shoulders always.

Winterizing your Corvette

One of the most popular questions among Corvette owners is "how should I prepare my Corvette for long-term or winter storage? This age old question is just like the typical "which type of aftermarket exhaust system should I install" question. You're bound to get five hundred different answers and all of them could be different.

Celebrating 59 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

Parking lot banner at the National Corvette Museum in 2019

The Corvette Club of Rhode Island will be Celebrating its 60th Anniversary in 2024.

A capital campaign to raise \$500.00 during the 2023 season is underway. Labor Day Weekend 2024 the NCM will be hosting its 30th Anniversary Celebration. Thousands of Corvettes from all over the US, Canada and abroad will descend into Bowling Green, Kentucky for the celebration. It would be fitting that the Corvette Club of Rhode Island a Lifetime/Business member of the Museum be represented with a parking lot banner in 2024. There will be a fundraising raffle at February's Social to start things off. Any monetary donation will be appreciated throughout the year. See Randy Flock at any of the business meeting.

2024 Corvette Museum Delivery Option Price Increases Substantially

[Jonathan Lopez](#)

— Jul 18, 2023

For a lot of folks, purchasing a new [Chevy Corvette](#) is a *really* big deal, often signifying a moment of accomplishment and success, while inducting the new buyer into the extended family that is Corvette ownership. As such, many buyers opt for the Corvette Museum Delivery option, also known as option R8C, which provides the new owner with the unique experience of taking delivery of their new ride fresh off the assembly line in Kentucky. Now, however, the Corvette Museum Delivery option just got substantially more expensive with the introduction of the [2024 Corvette](#).

Previously, the Corvette Museum Delivery option ([RPO code](#) R8C) was priced at \$995 when ticked for the [2023 Corvette](#). Now, however, the option is \$500 more expensive, priced at \$1,495 when chosen for the 2024 Corvette. For those readers who may be unaware, the Corvette Museum Delivery option is offered in collaboration with the [National Corvette Museum](#) (NCM), located just down the street from the [GM Bowling Green plant](#) in Kentucky, the exclusive producer of the [Chevy](#) Corvette since 1981. The option includes a special VIP guided tour of the NCM for the new owner and up to three additional guests, where they will see the freshly produced Corvette on display. Customers are then provided an orientation and delivery presentation, while a unique gold decal is placed on the inside of the driver's door jamb. Customers also receive a personalized interior dash plaque, a personalized wall plaque, and an individual photograph in front of the museum. There's also an opportunity to tour the Bowling Green assembly plant, if desired. The 2024 Corvette arrives as the fifth model year for the eighth-gen C8, introducing a few important updates and changes, the most notable of which is the debut of the hybrid, all-wheel-drive 2024 [Corvette E-Ray](#). [Pricing for the 2024 Corvette](#) has also increased compared to equivalent 2023 model-year vehicles, with the destination freight charge now up to \$1,595, a \$200 increase compared to a DFC of \$1,395 included prior.

The National Corvette Museum is licensed by the Kentucky Department of Charitable Gaming under license number ORG0000854
