PRESIDENT'S MESSAGE SEPTEMBER 2024

Well, here we are SEPTEMBER 2024 – this President's message would be way to long for everything I need to get in here – but let's go by priorities. WELCOME HOME NCM CARAVANERS – I heard it was an amazing trip – well planned out as expected, by Randy and Judy Flock. It is not a trip for the weak at heart for sure...but our CCRI Members "DID IT" I cannot want to open the floor to some stories this up-and-coming week at our meeting. Our heartfelt sincerest regards to Bill and Sue Fagan who had a rough journey during this event... Your CCRI family had you in our prayers throughout. Prayers to all those Members going through life's speedbumps. Also sincerest condolences to Corvette enthusiasts Robin and Howie Sousa for the loss of Howie's father. Your CCRI friends are sending nothing but sincerest sympathy to you and your family.

THE MEETING: Our monthly meeting is rescheduled to this up-and-coming Thursday, September 12, 2024 at 6:30 p.m. I hope to see you there. I understand some members contracted Covid while on this NCM Journey and I pray you are all feeling well. Please be mindful of others if not feeling well, just stay home, I promise to keep you all updated.

AUGUST CORVETTES BY THE SEA – a huge Thank you to the attendees that traveled near and far to attend our Annual Corvettes by the Sea. It was so nice to see new and old faces and we truly did appreciate the support. It was truly an emotional event for me, with my mother passing the Thursday before the show. The CCRI Members who volunteered and stepped up to the plate AGAIN....my sincerest gratitude to you always. It would not have been the success for not the support of our Members, the Attendees and our sponsor, Paul Masse. A heartfelt thank you.

FCO CORVETTE SHOW – the For Corvettes Only Car Show is also coming up on September 15th – please refer to the Flyer here in your newsletter – I hope to see you there. This is always a well-attended show and the prize for BEST PARTICIPATION IS \$1,000 TO THE CHARITY OF OUR CHOICE. More about this at our meeting.

The year isn't over yet – with Audrain events, more fun socials and car shows, as well as our annual Christmas Party in December at Crystal Lake. Maybe some in prompt events coming up as well. Stay tuned.

LAST BUT NOT LEAST – August will be a month forever grained in my soul.... the loss of my mother has impacted me and my entire family. A close-knit Italian bread family who lost our matriarch is not an easy thing to dismiss or to stop thinking about. WITH HEARTFELT GRATITUDE, LOVE AND HUMBLENESS, on behalf of myself and my family, thank you for the LOVE, SUPPORT, THE MASS CARDS, THE DONATIONS AND LOVE during our time of loss. The Corvette parade held on behalf of my mother was something she spoke about until her dying day. Thank you so very much.

HOPE TO SEE YOU ON THURSDAY, SEPTEMBER 12, 2024, AT 6:30 P.M.

Detailing your Corvette

How concerned are you about your Corvette's looks? Is a trip to the drive-through car wash every few months good enough? Or do you obsess over things such as tiny swirl marks in your paint, or getting just the right amount of gloss on your trim? If you fall into the latter group, then you've come to the right place.

Celebrating 60 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

EDITOR NOTES:

NEW ENGLAND CARAVAN TO NCM 30TH CELEBRATION

I recently returned from the NE caravan to Bowling Green Kentucky to celebrate the museums 30th anniversary. This has been on my bucket list for a while now, and my wife and I took the opportunity to experience it for ourselves. For any Corvette enthusiast, this is a must do trip. Arriving to Bowling Green to experience the Museum and the tour the assembly plant were just the tips of the iceberg. The driving routes, hotels and activities that Randy Flock and his team had assembled for this trip were amazing. Meeting like minded people from all over New England and beyond shows just how special this community really is. We enjoyed activities like battlefields, caverns, private car collections, Racetrack laps, Museums, nightlife, amazing roads to drive and countless calories consumed at the many meals we all experienced together. I would like to thank Randy Flock, his team and all the Corvette enthusiasts who made this trip special. Especially the CCRI community who joined us. Next one is in 2029 for the 35th anniversary. Start Planning now!

Just The Tip

This month's tip is from Roger Papineau it covers washing your Corvette.

Car cleaning with a Foam Cannon

A good tip that I got from my son on cleaning my C8.

Equipment list includes:

1. Electric power washer
2. Foam cannon applicator.
3. Foam cannon Soap.
4. Cleaning bucket.
5. 2 microfiber Chenille, for car and rims.
6. Microfiber drying towel.
7. Wheel cleaning brush.
8. Blower (electric or battery preferred).
9. Short power washer pistol and flexible hose helps.
10. Tip on power washer is 40 degree.

With 40 degree tip on your power washer, wet down the car to soften dirt.

Add 2 oz. of soap to foam cannon and cover the car and wheels in foam.

Let it stand for 5 minutes and clean with bucket and Chenille to remove heavy soiled dirt.

Do not let soap dry. Rinse as needed. Wash wheels with the cleaning brush and 2nd Chelille.

Rince completely and use blower to remove most of the water.

Microfiber towel dry.

Use window cleaner and detail products to complete.

This seems like a great way to wash your car I have never used one but I can see the benefits of using one such as the thickness of the foam that is applied and the ability of reaching tough to reach areas like under the car and in wheel wells. There are other options such as foam guns that connect to your garden hose instead of a power washer and there is even a pump sprayer that you have to manually pump pressure to make foam. From what I have learned these other options do not apply as much foam. The thick foam is what's doing a lot of the work because it sits on the dirt longer and helps loosen it. And the idea of using a blower of some type to remove the excess water before final wipe down has caught on by many people. It gets the extra water out of the tough to reach areas. As in pressure washers there are many options for blowers so I would recommend checking with fellow club members and checking YouTube videos for some options.

I would like to thank Roger for his input I could use some other ideas from members so if you have something you would like to see here let me know.

Well I guess that's it for this month.
e-mail me with your tips or technics.

This three month, limited-engagement exhibit runs through September 15, 2024 and features:

- Recovered Sinkhole Corvettes
- Personal Interviews
- Museum Chronology
- Original Sinkhole and Boulder

Corvette insurance doesn't necessarily mean classic car insurance or antique car insurance. In fact, we insure new cars as well as our loved classics. Do you own a new Corvette that is driven rarely to car shows, club events, parades, or just for a nice trip to the coast? No problem, we can insure that! Below you will find several reasons we feel you'll like what we have to offer.

Broad Usage : The National Corvette Museum and NCM Insurance Agency love to see the cars driven. We highly encourage you to take your car out on a nice day and enjoy it.

Mileage Options: We have several mileage plans to meet your needs. Pick the best plan that fits your vehicle and save money, Plus, we offer rollover miles.

Agreed Value : We only write collector car insurance or Corvette insurance policies on an Agreed Value basis. Once we agree on a value for your vehicle, that's what you'll get in the event of a total loss. We will not depreciate or question the vehicle's value.

Claims : If you were to have a claim you can take your car to the repair shop of your choice. You know who will do the best job on your prized possession.

Lower Cost : Our collector car insurance or classic car insurance will often be cheaper than your standard auto insurance companies, Plus, with the Agreed Value coverage, you know you'll be fairly compensated.

One Liability Charge : With the NCM Insurance Agency, you will pay for liability coverage only one time, while most standard auto companies charge for each vehicle.

Spare Parts : We automatically include \$2,000.00 for lost or stolen parts, plus we include \$75.00 to cover towing cost. If you want additional towing coverage you can purchase our Expanded Towing coverage for \$10.00.

Optional 9 – 5 : We offer "Nine to Five Driver" that allows you to drive your vehicle to work up to a couple times a week.

New Car? : Any new addition to your collection is covered for 30 days and up to \$50, 000.00.

Trip Interruption Coverage : If your vehicle ever breaks down while you are on a trip more than 50 miles from home we will pay up to \$600.00 for transportation, lodging and expenses.

Broad Deductible Options : From \$0 to \$10,000.00 on all vehicle types

Full Safety Glass Option : We waive the deductible if a windshield requires replacement and there is no other vehicle damage.

Pet Coverage : We provide coverage if a pet is injured during an accident.
