### Get Away Weekend Sept 24<sup>th</sup>, 25<sup>th</sup>, 26<sup>th</sup>

This year's get away weekend will begin with a cruise-in to the Hampton inn, located in beautiful Littleton NH on Friday, the 24<sup>th</sup>. The hotel contains a pool and fitness center and the rooms have been discounted from \$259 to \$209 per night for our group. Breakfast is included daily if restrictions are lifted by then. There is also an Applebee's restaurant on site if we so choose or several local spots as well.

On Saturday the 25<sup>th</sup>, a scenic ride to North Conway, with stops for shopping or browsing is an option, followed by a return to the hotel across the beautiful Kancamagus highway pictured above.

Following breakfast on Sunday we will depart for the trip home, which could follow a scenic route, or the interstates, the choice is yours to make.

I have 20 rms blocked so it is first come first serve, and the rooms not booked by Aug 25<sup>th</sup> will be placed back for use by the hotel

Amenities at the inn include refrigerators, microwaves, coffee makers, hair dryers, cable hdtv, ironing boards and clock radios.
