

Get Away Weekend Sept 25th, 26th, 27th

This year's get away weekend will begin with a cruise-in to the Fireside Inn, located in beautiful Belfast Maine on Friday, the 25th. The hotel contains a restaurant and lounge, or you are welcome to dine in Downtown Belfast at some of their quaint cafes.

On Saturday the 26th, a trip to Acadia National Park, Cadillac Mountain and Bar Harbor is planned. The 26th of Sept is also National Land Parks Day this year so Acadia will be free that day for a \$20 savings.

Following breakfast on Sunday we will depart for the trip home, which could follow scenic Rt1, or the interstates, the choice is yours to make.

Amenities at the inn include refrigerators, microwaves, Keurig Coffee Makers, hair dryers, cable tv, ironing boards – for the guys of course, and clock radios. Continental breakfast each morning is also included. King Rooms and Double Queen rooms for this event were discounted from \$200 per night to \$125. All rooms have a view of the Penobscot Bay. I have a block of rooms on hold as almost everywhere I called from NH to Maine are already booked for foliage season, so do not delay if you wish to attend.
