AUGUST, 2022 - PRESIDENT'S MESSAGE

What a month July has been.... thank you to everyone who attended the Cocktail Party, it was a great event and I thank you for coming out to support the same. The winery tour to Cassidy Vineyards was also well attended and I thank Dennis and Linda Langlois for coordinating that event. The Wednesday night cruise sunset drives have been well attended as well, and I thank those that came out to my "first" cruise night at the Beef Barn. Members that came out had a wonderful time, good food – their roast beef sandwich is the BEST! Great surroundings, a magnificent sunset and the ice cream was bar none... The Owner Mike and their entire staff hope that we come back for more. Perhaps a nice fall ride to support this small business.

Speaking of Business, thank you Members who have continuously supported our Sponsor Paul Masse and the Masse dealerships throughout Rhode Island. It is greatly appreciated to know that our membership realizes who the best dealership is here in RHODE ISLAND – when it comes to buying your new Corvette or everyday ride. Thank you for your continued support. We are very grateful for their support throughout the years. WHAT'S UP IN AUGUST – Well let me tell you – our Activities Committee is going to be very busy tomorrow evening before our meeting on Tuesday. The plan is to get tickets done for 50/50 and thank you to John Faria for re-doing the dash plaques which need to get stuffed in bags. We have the Stone Forge Inn drive and dine – hosted by Deb and Roger Papineau and there are still sunset cruises coming up as well and last certainly not least OUR 50TH CELEBRATION EVENT AT THE OCEAN TIDES SCHOOL.... I will be asking for Volunteers to assist Peter DiBonaventura for parking, 50/50 and who will be upfront with me at the gate – and assistance at Membership. Peter was good to go to the venue this weekend and is looking for 10 good guys to assist in directing the cars on the field. Our Board of Directors and Activities committee will be front and center, so we should just need a few fill ins so not to burn anyone out.

PLEASE REMEMBER OUR MEETING IS ON THIS TUESDAY, AUGUST 2, 2022, AT 6:30 P.M. – WE HOPE YOU CAN MAKE IT AND BE KEPT UP TO SPEED OF OUR UP-AND-COMING EVENTS. ESPECIALLY WITH OUR 50TH CORVETTES BY THE SEA CELEBRATION. Prayers being sent always to those Members who are ill, recovering, or just going through some of life's speedbumps lately. You are always in my prayers. Have a good week everyone, and I look forward to seeing you on Tuesday evening. – STAY COOL!!!! I am ready for some Fall weather...how about yourself?

Detailing your Corvette

Over the next few pages, we're going to show you some professional-level cleaning and detailing tips that will make your Vette gleam. Better still, these techniques can be performed in your driveway with just a few simple tools and a handful of car-care products.

Celebrating 58 Years

Founded by a handful of Rhode Island Corvette Enthusiasts back in 1964, the Corvette Club of Rhode Island (CCRI) has endured for over five decades. The motivating factors for this enterprise have remained applicable to this day and are stipulated as "general purposes" in Article 2 of the club by-laws.

RARE CORVETTES

RARE CORVETTES?

The 1969 Corvette ZL1

If you thought the 1963 Grand Sport was rare, then you'll be blown away by [the 1969 Corvette ZL1](#)! [GM](#) only produced two examples of this beastly Corvette, and only one of these was ever fully documented by GM. The car featured an engine built as a joint venture between Chevrolet and McLaren for use in the [SCCA's](#) "Canadian-American Challenge Cup Series." Officially rated at 430BHP, it has since been proved that the might 427 cubic-engine produced between 560 and 585 horsepower, making it the most powerful Corvette of its day. Given its high price tag combined with changing emission standards for the [1970](#) model year, the 1969 ZL1 was a "one and done" model year offering, making this survivor an extremely valuable commodity indeed!
